

SG Series

CABLE-ACTUATED POSITION SENSORS

- 80, 120-inch Stroke Range Options
- Fits in Tight Spaces • Handy Mounting Bracket
- 0-10 VDC, 4-20mA, DeviceNET & CANbus
- **In Stock for Fast Delivery!**

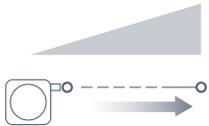

The SG Series provides absolute linear position up to a 10-ft. stroke range. Constructed with a rugged polycarbonate body, this series comes in both 80-inch or 120-inch stroke ranges and offers optional IP67 protection for wet or outdoor installations.

With its slim design and versatile mounting bracket, the SG series has been designed to fit into spaces no other measurement device can. For the OEM customer, custom mounting hardware and electrical connections are available.
