

SM Series

CABLE-ACTUATED POSITION SENSORS

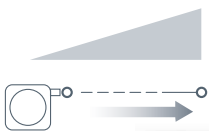

- 25" (635 mm) Linear Measurement Range
- Fits in Tight Spaces • Handy Mounting Bracket
- Polycarbonate Enclosure • Free Release Tolerant
- **In Stock for Fast Delivery!**

With its ultra compact design, the SM series is the perfect solution when space is an issue. At just over an inch across this stringpot provides full stroke measurement ranges from 2½ to 25 inches. A precision plastic hybrid 10K-ohm delivers a precise voltage divider output signal that is linearly proportional to the travel of the spring loaded cable.

Constructed with a rugged polycarbonate enclosure and free-release tolerant measuring cable, the SM series is the perfect solution for the OEM and single piece user alike.
